INTERIOR DESIGN

2023
CALIFORNIA
COLLECTION

After 27 years in Business, serving 5,000+ clients on 3 continents and winning multiple awards along our way, we are excited to present our first own furniture line. This Collection is the essence of pieces that are loved by our clients over and over again.

Being based in Dubai now for the last 4 years, we are able to use the amazing craftsmanship available to redesign and improve classic but contemporary pieces that fit in every environment - and we make it fit into your budget. As every item is custom made in the UAE, sourcing the best materials worldwide, we can really offer bespoke Interior Design solutions for you home.

This Collection should be seen as a starting point for a conversation between the client and us. For this reason prices shown are an indicator and vary with your requirements.
